Procedure for applying for an Exemption

The application must be accompanied by the necessary documents and information as shown in the lists of documents and information, depending on the type of application.

An application that is not sufficiently filled in and is not accompanied by the required documents will not be considered complete. CERA is entitled to request any additional information and/or clarification on any information and documents provided with this application.

Solemn Declaration

I declare responsibly that the implementation of the project has been carried out in accordance with the terms of the Exemption from the obligation to hold a Construction License of CERA and any other approval and/or permit required by any other Law.

I declare responsibly that the plant has obtained all necessary permits and/or approvals and/or authorizations required by any other law.

In case the installation plot is not privately owned, I declare that I have obtained all necessary approvals and authorizations from the owner of the plot for the operation of the Plant.

I declare responsibly that all of the above is true. In case of false or misleading statement, I am aware that I will have committed a criminal offense and, if convicted, I will be subject to imprisonment not exceeding three (3) years or to a fine not exceeding ninety thousand euros (€ 90,000) and/or both. I am also aware that in case I am granted an Exemption based on false information or in case I violate any term of the Exemption and/or Regulatory Decision or Decision of CERA and/or provision of Law 130(I)/2021 and the Regulations issued thereunder, I may be subject to an administrative fine or suspension or revocation of the Exemption.

I authorize CERA to verify, in cooperation with other competent Departments, as much of the information contained in this form as it deems necessary.

The information contained in this form may be used to create the Register of Exemptions from holding a License.
