9. If the Contracting Authority terminates the Contract, it shall be entitled to recover from the Contractor any loss it has suffered up to the maximum amount determined in the Contract. If no maximum amount is determined, the Contracting Authority shall be entitled, without prejudice to its other remedies provided for by the Contract, to recover such part of the Contract value as is attributable to the part of the Contract Scope which has not, by reason of the Contractor's failure, been satisfactorily completed.
10. Additionally, the Contractor may be subject to administrative and financial penalties as described in Article 20.
11. The Contractor shall not be entitled to claim, over and above the amounts due to it for work already performed, compensation for any damage or loss it has suffered.
